(1) Sri No 3 in the list of applicants has been appointed in preference to the thrown out officials. In view of the fact that the thrown out officials possess lower qualifications viz S.S.L.C and SSLC course, the selection of Sri 3 who has passed the Intermediate examination, may perhaps be approved.

(2) What are the orders regarding the absorption of thrown out officials?

(3) Also, please note particulars of surrendered optees thrown out men.

(4) Kind attention is invited to para (iv) of G.O No 3 Fl. 739-90 G.J. 21-31-1 dated 27.7.31 and (e) of G.O. No 941-1040 C.R.B 5-31-1 dated the 18th August 193 relating to the absorption of thrown out officials on account of retrenchment and para 1 of G.O. No 144-293 C.R.B 1-32-2 dated 12th July 1932 regarding the absorption of thrown out officials of the Census Deptt.

(5) In practice however the absorption of thrown out officials is not being insisted upon when ever higher qualified applicants possessing higher qualifications than the thrown out officials had applied for advertised vacancies. It is a point for orders whether the thrown out officials ~~have to be~~ ~~a necessary result of the Census Deptt.~~ should be shown preference in advertised vacancies irrespective of the fact that candidates possessing far higher qualifications than them are available for appointment in such vacancies.

3) The particulars of the known out officials that have applied for the vacancy in question are furnished below as required in para 3 supra.

1. K. Durgachella moodi - Known out Office of the Cenus Dept. - 4 months service in the Census Dept. - S S L.C Course - Moodi

2. N. S. Hanumanthappa - Known out Office on account of retrenchments - About 1½ years service as a Taluk Office clerk - S S L.C - Beda

Subd with refce to paras 2 & 3 supra I think it is clear from the order that such known out officials should be given preference only when "other things are equal", i.e. when they are among the best qualified candidates. The appointment is made in Shimoga, in order

2/1

In the case of the known out Census officials, the order states that they should be shown preference when "other things are equal", i.e. apparently, when they rank among the best qualified candidates. As regards known out officials of other departments who have put in less than 2 years service, the order is not quite clear. It states that they may be shown preference if they are qualified for the post. This seems to imply that minimum qualifications are sufficient. But as in the case of the Census Officials, it seems fair to grant them preference only when they rank with the best qualified applicants.

(1) I generally agree with the view expressed in the note of Mr. Asst Secy. But there need be no hard and fast rule in the matter — as I believe, orders are obtained in each case

(2) Orders are obtained in each case only in the case of thrown out officials of over two years service whose names are entered in the thrown out register. In the case of others, such as those referred to in this file, when forwarding their applications for any particular post for which they may apply, we merely mark against their names in the list that they are thrown out officials to be shown preference. But, as this is ambiguous, definite orders are now sought
